Graduate medical education teaches the next generation of physicians how to provide the hands-on care patients rely on. Help me spread the word about the importance of GME within our health care system. <https://goo.gl/w9nU6f>

The AMA is working to educate patients on the importance of graduate medical education. I plan to share this with someone outside of health care. <https://goo.gl/w9nU6f>

Well-trained physicians are vital the America's health care system -- but not many patients realize the role graduate medical education plays. Help spread the word about the function and importance of GME. <https://goo.gl/w9nU6f>
